

Child Care on Wednesdays

As a trial this year, every Wednesday we will be offering a Child Sitting Service for people who want their children looked after while they curl. This service will be available from 5:30pm until 9:00pm every Wednesday night at a cost of about \$10 per child.

Details at a glance:

1. Children will be supervised at the Halifax Military Community Centre (next to Curling Club)
2. Children will be cared for by one or more certified childcare providers
3. There will be a nominal fee for this service, likely \$10 per child (possibly less, depending on demand)
4. Curlers pay for this service at the bar (to Peter or Gina)
5. Available on Wednesday nights, from 6:00pm until 9:00pm (drop off as early as 5:30pm)

We chose Wednesday for this service, since Wednesday is typically our "mixed" curling night and we are trying to make it easier for couples/both parents to be able to curl. We may be able to extend this service to 11:00pm to cover the late draw as well, depending on demand. If interested in this, please let us know. The more demand we have for this service, the less we will have to charge per child. We may be able to get the cost down to \$5.00 per child per evening, but we will likely start it at \$10.00 for the first month or so, and see how things go.
