

DAY LEAGUE – CFB HALIFAX CC

Welcome to CFB Halifax Day League Curling, where Friends Meet.

If you are a recently retired, or semi-retired male or female interested in learning how to curl or getting back to curling after a long layoff, than our Day League is ideal for you. Our Day League is a recreational league with emphasis on “fun” & “social” curling. Although focused on seniors, if you are available to curl during the daytime, come curl with us. Our members are more than happy to offer advice and assistance to less experienced curlers.

What we have to offer curlers:

Two eight-end games every week, MON and WED mornings - 0930 start, a total of 50 games (a break over Christmas) starting 12 Oct 2011, ending 11 Apr 2012.

Members are not assigned to a permanent team. Our Day League uses a “tag” system where teams are formed before each draw from those who show up to curl. You are free to show which ever days you can.

Home and Away visitations - to and from selected clubs in the province throughout the season.

Before and After socializing (weekly 50-50 draw)

Membership – \$250.00 (Note: Military-Retired Military -\$240.00)

***Available to persons over 18 years of age; do have voting privileges;
are eligible to curl on MON and WED mornings only; are eligible to compete at provincial level.
