

INFORMATION SESSIONS

During these times we will have people at the club ready to help you. This is an opportunity for everyone to turn in registration forms for the new season. You can also meet a Board member or other club member before the season begins. If you're a perspective new member, a former member considering returning or returning member we will be more than pleased to give you a guided tour of our excellent facility & answer any questions concerning our club & the great game of curling.

We will be happy to answer your questions about our various leagues, our junior program & the club in general for the upcoming curling season.

We offer full memberships, one night only memberships, our day league on Monday & Wednesday mornings & a Sunday Social League. If you're dropping off your completed application, please note that you can pay by cheque, credit card or cash. Our debit machine will not be operational until after Thanksgiving, but we need your application early, so please drop them off even if you are paying later by debit.

Come on down & pay us a visit. We look forward to meeting you & welcoming you into our curling community.
