

## PIZZA, POPCORN & A MOVIE NIGHT

“You talkin’ to me”, “Rosebud”, “Say hello to my little friend”, “You’re going to need a bigger boat” are all famous lines from famous movies. Starting in December (check calendar for exact dates) we will be having a few “Pizza & a Movie Night” evenings. We will post on the general notice board a list of movies for you to choose from. Vote for your favorite & the movie receiving the most votes will be featured that evening. The bar will be open & we will have **FREE** pizza. **Rogers Video**, Lacewood Clayton Park location, will be supplying the movies and popcorn. Mark these dates on your calendar & lets get together & enjoy the wonders of the “Silver Screen”. There are many new releases due out later this year; stay tuned for a list of these movies. Check out the newest releases and wireless information at the Rogers Video web site [www.rogersvideo.ca](http://www.rogersvideo.ca). This event is free for members & guests. As always, members are totally responsible for their guests while at the club.
